

# Radio Radio Radio

Ke\$ha

Pull over quick, pull over quick  
Quick, I need a quick fix  
I need a fix, I need a fix

Pull over quick, pull over quick  
Quick, I need a quick fix  
I need a fix

You gotta catch a flight, you gotta split  
You gotta split, you gotta split  
You said you want a ride, you gonna get it  
Ooh, ahh, ooh, ahh

I got my foot on the floor  
I'm gonna get you there quick  
I need a quick, I need a quick fix  
You wanna say goodbye, got 20 minutes

We're steaming up the window  
Only thing on is the radio (only thing on)  
Give it up and let's go  
Only thing on is the radio

Radio, oh, oh, oh, oh  
Radio, oh, oh, oh, oh  
Radio, oh, oh, oh, oh  
Radio, oh, oh, oh, oh

We got the chemistry, damn it, it hurts  
Look what you do to me, god damn it, it works  
I feel the engine below oh, it makes me go oh  
Let's crank it up in gear, you want it you know

We're steaming up the window  
Only thing on is the radio (only thing on)  
Give it up and let's go  
Only thing on is the radio

Radio, oh, oh, oh, oh  
Radio, oh, oh, oh, oh

Radio, oh, oh, oh, oh  
Radio, oh, oh, oh, oh

Lost in this stereo  
Playing this private show  
No better place for you  
And me to be alone  
I feel you on my skin  
You got my heart racing  
I hear the clock ticking  
Ready set, let's go, let's begin

Pull over quick, pull over quick  
Quick, I need a quick fix  
I need a fix, I need a fix

Pull over quick, pull over quick  
Quick, I need a quick fix  
I need a fix

We're steaming up the window  
Only thing on is the radio (only thing on)  
Give it up and let's go  
Only thing on is the radio

Let's crank it up in the back row  
Only thing on is the radio (only thing on)  
Give it up and let's go  
Only thing on is the radio

Radio, oh, oh, oh, oh  
Radio, oh, oh, oh, oh  
Radio, oh, oh, oh, oh  
Radio, oh, oh, oh, oh
