Let It Flow

Gates Praise

What can wash away my sins
And what can make me whole again
What can erase the shame of my past
Nothing but the blood of Jesus

Let it flow let it flow
From the crown of my head
Let it flow let it flow
To the soles of my feet
Let it flow let it flow
My life is made whole by the blood of Jesus

Searched all of her life
She found no physician
Heard about the man Christ
That his blood can make a difference
She pressed her way through
And touched the hem of his garment
His vertue left him, i can hear her say

Let it flow let it flow
From the crown of my head
Let it flow let it flow
To the soles of my feet
Let it flow let it flow
My life is made whole by the blood of Jesus

Let it flow let it flow
From the crown of my head
Let it flow let it flow
To the soles of my feet
Let it flow let it flow
My life is made whole by the blood of Jesus

So he was wounded for our transgretions
Crushed for our sins
My peace was through his judgement
By his stripes we are healed

He was wounded for our transgretions

Crushed for our sins
My peace was through his judgement
And by his stripes we are healed

Let it flow
From the crown of my head
Let it flow
To the soles of my feet
Let it flow
My life is made whole by the blood of Jesus

Let it flow
From the crown of my head
Let it flow
To the soles of my feet
Let it flow
My life is made whole by the blood of Jesus

From the crown of my head
to the soles of my feet
Crown of my head
to the soles of my feet
From the crown of my head
to the soles of my feet
Crown of my head
to the soles of my feet

From the crown of my head
to the soles of my feet
From the crown of my head
to the soles of my feet
From the crown of my head
to the soles of my feet
From the crown of my head
to the soles of my feet

Right now,
Your blood is available
Right now
Your blood is available
Right now
His blood is available
Right now
His blood is available
Right now

His blood is available
His blood is available

(His blood is available)

Oohhh
We need your blood Lord
Oohhh
By your stripes i am free
By your stripes i am healed
By your stripes i am rescued
It's by your stripes
By your stripes
