

# One Team One Spirit

## Gotthard

What a feeling all around me,  
there's some magic in the air  
I can breath the scent of glory,  
as we're walking hand in hand  
the road to promised land. I know, there will never be a need to regret,  
I know, there will never be a chance to forget,  
it's time, I've been waiting for this moment to come,  
sure enough I'm ready and strong. Right now! We stand together for the freedom of the world,  
from every place and every nation  
come let your voice be heard.  
One Team One Spirit, time of joy for everyone,  
as the game of hope has just begun, just begun.  
Someone said, that's what I'm living for  
Someone said it's all a waste of time  
Wanna live this dream forever  
and I finally come alive.  
I'm gonna give it all this time. I know, there will never be a need to regret,  
I know, there will never be a chance to forget,  
I swear, would you better believe it,  
I will never be defeated again,  
'cause it's the best of what I am. We stand together for the freedom of the world.  
From every place and every nation, come let your voice be heard.  
One Team One Spirit, time of joy for everyone,  
as the game of hope has just begun, just begun.  
We stand together for the freedom of the world.  
From every place and every nation, come let your voice be heard.  
One Team One Spirit, time of joy for everyone,  
as the game of hope has just, as the game of hope has just begun.
