

Hand Hold

Wanting

Sweetheart, sweetheart,
Won't you come and sweep me off my feet,
Catch me when I fall Whisper whisper
Whisper these words in my ears tonight, I could fly away with you, I... When the darkness is falling
When the night has come
Baby will you hold my hand?
When the sky is crying
When this road is near the end
Baby I will hold your hand
Sweetheart, sweetheart,
Mark my words and cross my heart,
I'll wait for you till the end What it is, what it is It's a kiss from my lips sealed on yours, and today I'll stay with
you, I... When the darkness is falling
When the night has come
Baby will you hold my hand?
When the sky is crying
When this road is near the end
Baby I will hold your hand
When the storm is twisting left and right
When you can't fall asleep at night
Baby I will hold your hand
Until the night is morning,
Until the seas apart
I won't let go of your hand
