

# All Automatic

## Mourning Widows

Here goes my life again  
It's pretty plain, what a shame  
Who'll win the race today  
Haven't a chance  
Play the game  
Well I'm tired of thinking, of thinking, thinking  
The warnings, the worries, the pressures  
Forget it for a minute and....  
Get Automatic, Get Automatic  
Move Automatic, All Automatic  
I'm always punching in  
Can't find the means to an end  
Punch me out!  
I like the cloud I'm on  
Would rather ride #9  
Well I'm tired of thinking, thinking, thinking  
The warnings, the worries, the pressures  
Forget it a for a minute and...  
Get Automatic, Get Automatic  
Move Automatic, All Automatic
