

Mother Love

Queen

I don't want to sleep with you
I don't need the passion too
I don't want a stormy affair
To make me feel my life is heading somewhere
All I want is the comfort and care
Just to know that my woman gives me sweet
Mother love ah ha I've walked too long in this lonely lane
I've had enough of this same old game
I'm a man of the world and they say that I'm strong
But my heart is heavy, and my hope is gone Out in the city, in the cold world outside
I don't want pity, just a safe place to hide
Mama please, let me back inside I don't want to make no waves
But you can give me all the love that I crave
I can't take it if you see me cry
I long for peace before I die All I want is to know that you're there
You're gonna give me all your sweet
Mother love ah ha (mother love) My body's aching, but I can't sleep
My dreams are all the company I keep
Got such a feeling as the sun goes down
I'm coming home to my sweet
Mother love (Mother love, mother love, love love love love)
God works in mysterious ways
Eeeh dop, de dop, dep dop
I think I'm goin' back to the things I learned so well in my youth
