

L.O.V.E.

Solee

Joe B Christina

We're gonna take ya to the 80's

I'ma hold you down though

Look, you tired of the same old

Chit-chat, lame sto's

Mami's frame loc' make dudes chain smoke

We can do thangs slow as if you ain't know

All real them other dudes ain't Joe

They'll put you in canaries temporarily

But you know they can't compare to me

Can't come close pop cham', one toast

'Til I'm on my knees with ya hand up froze

Now why you acting like you can't come close, ma?

Things about to change

I won't just give my heart away

'Coz when I do it's gonna be forever

You're blowin' my mind

So this might be the last time

I fall in L O V E forever

I don't need love

If love is gonna hurt me

No need for trust

If trust just keeps me cryin'

I think you can see

You can see that I love playin'

I'm not the way I used to be

Understand just what I'm saying

Things about to change

I won't just give my heart away

'Coz when I do it's gonna be forever

You're blowin' my mind

So this might be the last time

I fall in L O V E forever

I've come a long way

You can say I've learned some lessons

To never wear my heart up on my sleeve

And always keep 'em guessin'

But it's hard not be naive

'Coz you're saying all the right things

And I won't fall for words
So this time you gotta show me
 Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
 You're blowin' my mind
So this might be the last time
 I fall in L O V E forever
 Things about to change
I won't just give my heart away
'Coz when I do it's gonna be forever
 You're blowin' my mind
So this might be the last time
 I fall in L O V E forever
 Understand that I
I don't know what to do
 It's happening again
I get that old feelin' again
 But before I give in

Understand me, now we both grown both done with the practice round
 Watch me prove to be different from your average clown
 It's safe, go ahead baby put the baggage down
I ain't tryin' to bend you over, just tryin' to win you over
 Take out, chin-chin' on the sofa
 Relax a little maybe then get closer
 Feel like I feel, relate to Joe beasy
 You make being in L O V E so easy
 Pushin' me up some like fargo easy

Ma, don't believe me trust and come see about it
 We one the same page babygirl, we about it
Enough with the talk game boo, let me be about it
 Things about to change
 I won't just give my heart away
 'Coz when I do it's gonna be forever
 You're blowin' my mind
 So this might be the last time
 I fall in L O V E forever
 Things about to change
 I won't just give my heart away
 'Coz when I do it's gonna be forever
 You're blowin' my mind
 So this might be the last time
 I fall in L O V E forever
 You're blowin' my mind so this might be
 L O V E forever

You're blowin' my mind so this might be
L O V E forever
