When you walked in my world  
I was someone else's girl  
Every time you look in my eyes  
All that I felt somehow diesNo no no no  
Can't you see what you're doing to me  
No no no noDon't look at me with that smile  
Don't act like everything's fine  
Stop putting dreams in my head  
When I should've thought of him insteadWhen you say the things you do  
It makes me want to be with you  
Every time that he kisses me  
You are always what I seeNo no no no  
You make me forget about him  
No no no noDon't look at me with that smile  
Don't act like everything's fine  
Stop putting dreams in my head  
When I should've thought of him instead  
When I should've thought of him insteadNo no no no  
Can't you see what you're doing to me  
No no no noDon't look at me with that smile  
Don't act like everything's fine  
Stop putting dreams in my head  
When I should've thought of him instead  
When I should've thought of him instead
