

# Flaming (Mono)

## Pink Floyd

Alone in the clouds all blue  
Lying on an eiderdown  
Yippee, you can't see me  
But I can youLazing in the foggy dew  
Sitting on a unicorn  
No fair, you can't hear me  
But I can youWatching buttercups cup the light  
Sleeping on a dandelion  
Too much, I won't touch you  
But then I mightScreaming through the starlit sky  
Traveling by telephone  
Hey ho, here we go  
Ever so high
