

By Starlight

Smashing Pumpkins

By starlight I'll kiss you
And promise to be your one and only
I'll make you feel happy
And leave you to be lost in mine And where will we go
And what will we do?
Soon said, "I, will know
And are you just like me?
Dead eyes, dead eyes
And are you just like me? Her eyes, her eyes were as
Vacant as the seas, yeah
Dead eyes, dead eyes
And are you just like me? And all along
We knew we'd carry on
Just to belong By starlight I know you
As lovely as a wish granted true
My life has been empty
My life has been untrue And does she really know, who I really am?
And does she really know me at last
And are you just like me? Dead eyes, dead eyes
And are you just like me?
Her eyes, her eyes were as
Vacant as the seas, yeah
Dead eyes, dead eyes
Are you just like me? And are you just like me?
And are you just like me?
And are you just like me?
