

What's On Your Radio

The Living End

What's your problem?
 What's on your mind?
 You're letting everything fall by the wayside
 Check the program, stay on the line
 The operator will be with you in no time
 You've got your problems
 But I've got mine
 Lost transmission inside your mind
 What's on your radio?
 What's on your radio?
 What's on your radio?
 Where do you wanna go?
 What do you wanna know?
 What's on your radio?
 Radio
 What's on your radio?
 Check the station, tune in the dial
 Make sure you're keeping up with all the new styles
 You say you find it hard to decide
 But you will never know until you try
 What's the answer?
 Fucked if I know
 But do you trust
 What's on your radio?
 What's on your radio?
 What's on your radio?
 What's on your radio?
 Where do you wanna go?
 What do you wanna know?
 What's on your radio?
 Radio
 What's on your radio?
 What's on your radio?
 What's on your radio?
 What's on your radio?
 Where do you wanna go?
 What do you wanna know?
 What's on your radio?
 What's on your radio?
 What's on your radio?
 Where do you wanna go?
 What do you wanna know?
 What's on your radio?
 What's on your radio?
 Where do you wanna go?
 What's on your radio?

Radio
What's on your radio?
