Please Tell 'Em

Indigo Swing

Can't remember a cold December
You walked away with someone new
But if anyone asks you
Please tell 'em I broke up with youCall you baby, beg you daily
Come back to me, don't say we're through
But if anyone asks you
Please tell 'em I broke up with youWhen I can fool my friends
Yay you're feeling blue
Can't seem to fool my lonely pride
Can't seem to get over you
Crying baby, going crazy
Please tell me, darlin', what did I do
But if anyone asks you
Please tell 'em I broke up with youWell, I can fool my friends
And I can say we're through
But I can't seem to fool my lonely pride
Can't seem to get over you
Crying baby, going crazy
Please tell me, darlin', what did I do
But if anyone asks you
Please tell 'em I broke up with youPlease, if anyone asks you
Just tell 'em I broke up with you
