Up All Night

Maria Taylor

Remember that day we got the news
I was scared as hell, and so were you
But I took your hand, and we jumped inI took you on tour but you were yet to be born
We crossed the ocean, from shore to shore
And our love was sworn thenAnd this need to protect you
And so I pray the world is good to youAnd I've been up all night
But these are the best days of my life
And it's the time of the year for a change
And it's covered in loveYou've taught me so much in just a few days
I'm a better woman in so many ways
And I swear I'll give it back to you
My mind's a mess and my back's aching
I see you smile, I'd do it over again
And this is the beginningAnd this need to protect you
And so I pray the world is good to youAnd I've been up all night
But these are the best days of my life
And it's the time of the year for a change
And it's covered in loveAnd this need to protect you
And so I pray the world is good to youAnd I've been up all night
But these are the best days of my life
And it's the time of the year for a change
And it's covered in love
And I've been up all night
But these are the best days of my life
And it's the time of the year for a change
And it's covered in love
