I Can't Unlove You

Kenny Rogers

Postcards and letters
And pictures made to last forever
To be boxed up and tossed away
Nick-nacs and souvenirs
In an afternoon they're out of here
They'll disappear without a traceWhat they mean to me
Can never be replacedI can't unthink about you
I can't unfeel your touch
I can't unhear all the words
Unsay all the things that used to mean so muchI wish, I could unremember
Everything my heart's been through
I'm finding out it's impossible to do
Oh, it's no use, I can't unlove youInterstates and old songs
Like time they go on and on
I guess, I could learn to do the same
I could wake up without you
These two arms not around you
Tell myself it's meant to be this wayNo matter how I try
Some things I can't changeI can't unthink about you
I can't unfeel your touch
I can't unhear all the words
Unsay all the things that used to mean so muchI wish, I could unremember
Everything my heart's been through
I'm finding out it's impossible to do
Oh, it's no use, I can't unlove youI wish I could unremember
Everything my heart's been through
I'm finding out it's impossible to do
It's no use, I can't unlove you
