Nobody's Fool

The Bears

Money to burn, I'm on fire
danger danger, I'm hot-wiredI'm in the business of pleasure
a big demand for leisure
I'll have my drink at the pool
I'm nobody's foolRoll me over, roll me the rojo
life is tough, or so I'm toldI'm in the business of pleasure
a big demand for leisureI'll have my drink at the pool
I'm nobody's foolNobody's fool, I'm on fire
nobody's fool, I'm hot-wired
