

Nobody's Fool

The Bears

Money to burn, I'm on fire
danger danger, I'm hot-wired I'm in the business of pleasure
a big demand for leisure
I'll have my drink at the pool
I'm nobody's fool Roll me over, roll me the rojo
life is tough, or so I'm told I'm in the business of pleasure
a big demand for leisure I'll have my drink at the pool
I'm nobody's fool Nobody's fool, I'm on fire
nobody's fool, I'm hot-wired
