

Moment In Time

Cherish

I know most times I'm far away
But still, I'm missing you

I said some things that I regret
But I'll make it up to you
Baby I can't breathe when you touch my body
When your heart beats - it's like music to me
And I can't see my life without you
And baby it's all up to

If I could make time stand still
Then I know we'd live this moment for ever
Can we stay right here, you don't have to go baby close that door I
I really hate missing you
I rather be kissing you
And I don't know what I would do,
If I couldn't make love to you
Over and over and over I wish
That I could live this moment in time

As of today I put my life completely in your arms
And if you should feel I could do more to please you
Then baby tell me how, oh, oh
Baby I can't breathe when you touch my body
When your heart beats - it's like music to me
And I can't see my life without you
And baby it's all up to you

If I could make time stand still
Then I know we'd live this moment for ever
Can we stay right here, you don't have to go baby close that door I
I really hate missing you
I rather be kissing you
And I don't know what I would do,
If I couldn't make love to you
Over and over and over I wish
That I could live this moment in time

Time stand still
Then I know we'd live this moment for ever

Can we stay right here
You don't have to go baby close that door
I really hate missing you
I rather be kissing you
And I don't know what I would do,
If I couldn't make love to you
Over and over and over I wish
That I could live this moment in time
