Overcomer (feat. Jason Gabbard)

Eddie James

How many of you guys are thankful for the blood of Jesus
So grateful for his blood

Chorus
Overcomer, Iâ€™m an overcomer
By the blood of the lamb
And by the word of my testimony
Overcomer, Iâ€™m an overcomer
By the blood of the lamb
And by the word of my testimony

Verse
He saved me
He rescued me
He delivered me
And he set me free
Ever since Iâ€™ve been changed
Iâ€™ve never been the same
And I can lift my hands and say
Thank you for your grace

Testimony
(He saved me)
I have a testimony
(Jesus rescued me)
Testimony
(He delivered me)
This is the word of my testimony
(And Jesus set me free)
Testimony
(Ever since Iâ€™ve been changed by the blood)
I have a testimony
(Iâ€™ve never been the same)

Testimony
(I can lift my hands and say)
This is the word of my testimony
(Thank you for your grace)

Chorus

Bridge 2 x3
Overcomer
More than a conqueror
Iâ€™m a winner
The joy of the Lord is my strength
I have dominion and I walk in authority
Iâ€™ve been washed in the blood
Iâ€™m kept by his love
Iâ€™m filled with his spirit and by his stripes Iâ€™m healed
Iâ€™m free
Yes Jesus gave me the victory

Chorus

Overcomer!
