You're the one, I've been searching for  
Like a special treat, in a candy store  
I sample every kind, of flavors I can find  
Strawberry, butterscotch, pineapple, lemon lime  
I had to shop around to find out (la la la la la) Love comes in different flavors  
(la la la la la) I like the kind you make girl  
(la la la la la) Love comes in different flavors  
(la la la la la) Just wrap it up, I'll take it Others guys like your flavors too  
You say you like mine  
So it's me and you  
I'm gonna hang a sign, down at the candy store
