## **Everlasting Sleep**

## **Chelsea Grin**

I will bleed out under moonlight

Red to pay for what I did

I lay to rest under the stars

Below me waits the loathing nemesis

Slowly building fear inside

I seek everlasting sleep

Everlasting sleep

I'm bleeding out

Call to me beauty

Make me misery

When blood seeps through every pour

I am yours forevermore

Forevermore

To be human no more.

I want you to see the scars

You can't give me peace

I seek everlasting sleep

I want you to see the scars

You can't give me peace

I seek everlasting sleep

Sleep

When blood seeps through every pour

When blood seeps through every pour

I am yours forevermore
