## **Alright**

## **Jamiroquai**

I need your love, I need your love

I need your love, I need your love You give me light

So tonight, take me there

I feel your sun start to glow

And I know it, let me show youThat I want your love, I need your touch

For the rest of our time together, baby

Come fly with me eternally

You and me, we were meant to be Yeah, hey, alright

(Right now)

We'll spend the night together

Wake up and live forever

Yeah, hey, alright

(Right now)

We'll spend the night together

Wake up and live forever

Yeah, heyWe got to come together, baby

It's alright nowI see your eyes

Hold the key to my paradise

Summer in your smile

Well, it makes me feel so real

(So real)You tell me things

And my heart sings to the world

From islands in the sky

Take my hand, as one we will stand

You know it's never never

To say hello to forever Yeah, hey, alright

(Right now)

We'll spend the night together

Wake up and live forever

Yeah, hey, alright

(Right now)

We'll spend the night together

Wake up and live foreverYeah, hey, alright

(Right now)

We'll spend the night together

Wake up and live forever

Yeah, hey, alright (Right now) We'll spend the night together Wake up and live forever Yeah, heyI need your love I need your love I need your loveI need your touch I want your love so much I need your touch (Need your love, need your love) And I want your love so much (Need your love, need your love)Do it to me now, now tonight (Need your love, need your love) We'll spend the night together Wake up and live foreverYeah, hey, alright We'll spend the night together Wake up and live forever Yeah, hey, alright We'll spend the night together Wake up and live forever
