# Die For You (Fantastic Four Mix)

## Megan McCauley

Your fear it moves me
Your weakness I taste
I breathe you, I hate you
You course through my veinsAnd now and nowYou want me, you love me
And I hate myself
I need you but I hate you
'Cause I want nothing elseAnd I bleed you since I've healed you
Your pain escapes through me
'Cause I breathe you but I hate you
'Cause they say we could never be
They can't seeI know I shouldn't love you
There's just too much to fake
But you see me, and I feel you
And I am not afraid, I'm not afraidAnd I bleed you since I've healed you
Your pain escapes through me
'Cause I breathe you but I hate you
'Cause they say we could never beIt seems the pain's been traded
Since I pulled you through
And now my mind's been so jaded
And I would kill myself for you, I'd die for youAnd I bleed you since I've healed you
Your pain escapes through me
'Cause I breathe you, but I hate you
'Cause they say we could neverAnd I bleed you since I've healed you
But I hate you, but I breatheAnd I see you and I feel you
And I hate you but I'd die for you, I'd die for you
