Let's Stay In Love

Blackstreet

Listen I know we've had our ups and downs...
Our fights...Our good times, and our bad times...
But through it all nothing compares to the way I love you...
So baby...Let's stay in love...
Let's stay in love...
BlackStreet...
Let's stay in love.
Let's stay together.
Let's stay devoted.
Let's stay forever.
Let's stay in love.
Let's stay together.
Let's stay, let's stay in love.
Listen...
Girl, I must confess,
That you are the best I've ever had in my whole life.
And believe that love,
Just wouldn't be complete,
Without you here beside me to guide me through whatever comes my way.
And I want to say.
Ohh.
Let's stay in love.
Let's stay together.
Let's stay devoted.
Let's stay forever.
Let's stay in love.
Let's stay together.
Let's stay in, let's stay in love.
Lady, I've never known a love before.
And then you went and made it clear to me,
And I want to thank, Heaven above, for placing you beside me.
You're the Queen of hearts in my world,
I'll be the King of hearts to you girl.
And our love, we can conquer anything.
Let's stay in love.
Let's stay together.
Let's stay devoted.
Let's stay forever.
Let's stay in love.

Let's stay together.
Let's stay in, let's stay in love.
Stay with me...
