

Easy Livin'

The Slapstickers

This is a place I've never knew before
It's called easy livin'
This is a thing I've never seen before
And I've been forgiven Easy livin' and I've been forgiven
Since you've taken your place in my heart Somewhere along the lonely road
Had tried to find you
Day after day on the windy road
Had walked behind you Easy livin' and I've been forgiven
Since you've taken your place in my heart Waiting, watching wishing my whole life away, yeah
Dreaming, thinking ready for my happy day
And some easy livin' Somewhere along the lonely road
Had tried to find you
Day after day on the windy road
Had walked behind you Easy livin' and I've been forgiven
Since you've taken your place in my heart Easy livin' and I've been forgiven
Since you've taken your place in my heart, yeah
