

Angel With a Shotgun

Nightcore

I'm an angel with a shotgun, shotgun, shotgun
Angel with a shotgun, shotgun, shotgun Get out your guns, battle's begun,
Are you a saint or a sinner?
If love's a fight, than I shall die,
With my heart on a trigger They say before you start a war,
You better know what you're fighting for
Well baby, you are all that I adore,
If love is what you need, a soldier I will be I'm an angel with a shotgun, fighting 'til the war's won
I don't care if heaven won't take me back
I'll throw away my faith babe, just to keep you safe
Don't you know you're everything I have? And I wanna live, not just survive, tonight Sometimes to win, you've
got to sin
Don't mean I'm not a believer
And major Tom will sing along,
Yeah, they still say I'm a dreamer They say before you start a war,
You better know what you're fighting for
Well baby, you are all that I adore,
If love is what you need, a soldier I will be I'm an angel with a shotgun, fighting 'til the war's won
I don't care if heaven won't take me back
I'll throw away my faith babe, just to keep you safe
Don't you know you're everything I have? And I wanna live, not just survive, tonight I'm an angel with a
shotgun, shotgun,
Fighting 'til the war's won
I don't care if heaven won't take me back I'm an angel with a shotgun, fighting 'til the war's won
I don't care if heaven won't take me back
I'll throw away my faith babe, just to keep you safe
Don't you know you're everything I have? And I wanna live, not just survive
And I'm gonna hide, hide, hide my wings tonight They say before you start a war,
You better know what you're fighting for
Well baby, you are all that I adore,
If love is what you need, a soldier I will be
