

Round And Round

Imagine Dragons

We are all living the same way
We are escaping the same way
 Circling
We are a part of the same play
We think we're making our own way
 Circling
You don't have to hold your head up high
 Round and round
 I won't run away this time
Till you show me what this life is for
 Round and round
I'm not gonna let you change my mind
Till you show me what this life is for
 We are afflicted by fiction
 Building a case for eviction
 Circling
 Guarding a tower of ancients
 Shooting down arrows of patience
 And patiently circling

You don't have to hold your head up high
 Round and round
 I won't run away this time
Till you show me what this life is for
 Round and round
I'm not gonna let you change my mind
Till you show me what this life is for
 All the emptiness inside you
 Is hard enough to fill
 Without a sense of purpose
 Were setting up to fail
You don't have to make it right
 Just hold your head up high
 Round and round
 I won't run away this time
Till you show me what this life is for
 Round and round
I'm not gonna let you change my mind
Till you show me what this life is for
