

# Empty Pages

[Lera Lynn](#)

Empty pages, empty prayer  
Empty chest, all the same  
No one's gonna know your name if you can't cry and make it rain  
Aching bodies, swimming head, a heart that's lost at sea  
If someone came to rescue it, I doubt that it'd be me  
Clouded eyes, your setting sun  
Decide who you will be  
But there's still time to make the trek and light by which to see  
Heart of gold and intention will never set you free  
Most ears refuse to hear the truth  
Most eyes refuse to see
