

# Restless Heart

Niila

Still love the silence of the night,  
when nobody else is around  
Still love to feel that piece of mind,  
when there is no chasing time  
Still have the hunger in my heart,  
to look for what can't be found  
Still gotta see what lies behind,  
the questions in my mind  
Oh oh oh oh You told me, yeah, you told me  
You'd give this restless heart a home  
You told me, yeah, you told me  
You'd give this restless heart a home  
But where does it belong? I love the way you're never scared,  
to leave your heart in my hand  
So many things I never share,  
you still seem to understand  
Oh oh oh oh You told me, yeah, you told me  
You'd give this restless heart a home  
You told me, yeah, you told me  
ou'd give this restless heart a home  
But where does it belong? Leave a light, if I need to find a way  
Leave a light for me  
Would you leave a light,  
if I need to find a way  
Would you leave a light for me You told me, yeah, you told me  
You'd give this restless heart a home  
You told me, yeah, you told me  
You'd give this restless heart a home  
But where does it belong?  
But where does it belong?
