

Soldierhead

New-Sted

Bombs go off around me
Bullets chase my head
Demonscene hellscape
Try to not get deadFrom the cradle I was in
Straight for the firing line
By the teeth of my skin
Dragon and the serpent versus swineNever quite ready
It just becomes your turn
Evertight steady
No more light to burnA lie has no feet
Cannot stand alone
A cry in the street
Who cast the first stoneWith dirt between my teeth
I made the devil sell his soul
I know that he can bleed
Moon goes dark sun grows coldWhere my mind would take me
Never coming near
Scared my heart would break me
Why am I hereWhere my mind would take me
Never coming near
Scared my heart would break me
Why am I hereWhere my mind would take me
Never coming near
Scared my heart would break me
Why am I hereWhy am I here, why!
C'monBombs go off around me
Bullets chase my head
Demonscene hellscape
Try to not get deadFrom the cradle I was in
Straight for the firing line
By the teeth of my skin
Dragon and the serpent versus swineWith dirt between my teeth
I made the devil sell his soul
I know that he can bleed
Moon goes dark sun grows cold
