Pijama

Najwa

All the way inside my room
Inside my bed
And my pyjama
He comes all the way
Inside my room
Inside my bed
Said my pyjamaI think he is looking for my soul
I think he is looking for my soul
Everything he took from me
He wanted back
He'd killed me forBut I don't wanna die
Just don't wanna die
But I don't wanna die
Just don't wanna die
But I don't wanna die
Just don't wanna die
Don't wanna dieAll the way inside my room
Inside my bed
He's in my pyjama
He comes all the way
Inside my room
Inside my bed
Said my pyjamaRoom, bed, pyjama
Looking for my soul
Want to take it back
Want to kill me forBut I don't wanna die
Just don't wanna die
But I don't wanna die
Just don't wanna die
But I don't wanna die
Just don't wanna die
Don't wanna dieRoom, bed, pyjama
Looking for my soul
Room, bed, pyjama
Looking for my soulRoom, bed, pyjama
Room, bed, pyjama
Room, bed, pyjama
Room, bed, pyjama
Room, bed, pyjama

Room, bed, pyjama
Room, bed, pyjama
Room, bed, pyjama...
