Androgyny

Garbage

When everything is going wrong and you can't see the point of going on
Nothing in life is set in stone there's nothing that can't be turned around
Nobody wants to be alone, everybody wants to love someone
Out of the tree go pick a plum, why can't we all just get along?Boys, boys in the girl's room

Girls, girls in the men's room

You free your mind in your androgyny

Boys, boys in the parlor

Girls, they're getting harder

I'll free your mind in your androgynyNo sweeter a taste that you could find

Than fruit hanging ripe upon the vine

There's never been an oyster so divine

A river deep that never runs dryWhat you need, what you need, what you need, what you need What you need, what you need, what you need

What you need, what you need, what you need, what you need The birds and the bees they hum along

Like treasure they twinkle in the sun

Get on board and have some fun

Take what you need to turn you onBoys, boys in the girl's room

Girls, girls in the men's room

You free your mind in your androgyny

Boys, boys in the parlor

Girls, they're getting harder

I'll free your mind, I'll free your mind, I'll free your mind, I'll free yourBoys, behind closed doors and under stars

Girls, it doesn't matter where you are

Boys, collecting jewels that catch your eyes

Girls, don't let a soul mate pass you by Boys in the girl's room, girls in the men's room

You free your mind in your androgyny

Boys in the parlor, they're getting harder

I'll free your mind, I'll free your mindBoys in the girl's room, girls in the men's room

You free your mind in your androgyny

Boys in the parlor, they're getting harder

I'll free your mind, I'll free your mind, I'll free your mind, I'll free yourBoys, girls Boys, girls
