

# Sedative

## SHACKLES

Sedative  
Sedative  
Was my hero  
Oh, it was  
What's it really like now  
It's been a long, long time since I've step outside  
To the morning sun now  
Would you take me out now?  
Take me by the hand now  
It's been a long, long time since I've step outside  
To the morning sun  
Sedative  
Sedative  
Was my hero  
And I had a hit  
[Incomprehensible]Sedative  
It was my hero  
And I had a hit on it  
What's it really like now  
It's been a long, long time since I've step outside  
To the morning sun now  
Would you take me out now?  
And I crawl along now  
It's been a long, long time since I've step outside  
To the morning sun  
My faith in you  
[Incomprehensible]Yes, I got faith in you  
What's it really like now  
It's been a long, long time since I've step outside  
To the morning sun now  
Would you take me out?  
And I crawl along now  
It's been a long, long time since I've step outside  
To the morning sun  
My faith in you  
Faith in you  
My faith in you
