

One Heart

Karyn White

Relax your mind
I'm not the kind
of woman who wants her lovers in quantity
what's more important is the quality of love
that you show so sweet so gentle
you're all that I want my man to be
and loving you comes so naturally
oh baby I want the love that only you can bring
and doubt can only separate our feelings
and cause you to be insecure with me Just one heart
is all a woman has to give
I only have one heart that feels
and one heart to love with
and one heart
of this you can be positive
I only have one hear that feels
and my one heart beats for you I'll search no more
cause you're the only man that I adore
I'll be your faithful lover
and all the love you give is love you will receive
oh you're so wonderful
I know together we can win
just open your heart and let me in My my my baby don't you be afraid
cause everyday we'll both face temptation
but I'm gonna tell you what I'm gonna do with one heart
is all a woman has to give
I only have one heart that feels
and one heart to love with
and one heart
of this you can be positive
I only have one heart that feels
and my one heart beats for you you you you you oh with every
I fall a little deeper in love
pledge devotion my emotions
and all the love I share will be with you
cause I got one heart
so baby feel secure
oh and beats for beats for only you
oh I'm gonna give it to you

yeah baby
oh you know you know you know you know my one heart does beat for you
the love I feel is really true
the kind of love that's one on one
the kind that you always dreamed of
my one heart does beat for you
the love I feel is really true
the kind of love that's one on one
the kind that you always dreamed of
I do love you
(darling I do)
I do love you
(baby I do)
I do love you
(baby I do)
