Here Tonight

Hale

So long to you my love
Dont be afraid to run away
I know youll be okay
Just take your time to findBut I need you here tonight
I need you here inside
I need you here tonight
I really, really need you here, tonightMade up my mind on this
Too late for me to hold you back
Maybe too short or dumb
To cry for you but I will anywayCause I need you here tonight
I need you here inside
I need you here tonight
I really, really need you here
tonight...Oh,oh...Its all my fault
To feel this way for you that day
I know I am and I will
Though its wrong, so wrongCause I need you here tonight
I need you here inside
I need you here tonight
I really, really need you hereI need you, I need you
I need you here inside
I need you I need you
I really, really need you here...
