Running from the Cops

Phantogram

(new surroundings)
My dreams will never come true
and if they ever ever do
there's never you
I want to implode
I want it to end
and all those old feelings are coming back again(new surroundings)My dreams are haunting my soul
and when I'm driving down the road
I'm not in control
I want to let go
I want to shake hands
with the person that's
responsible for this master plan
I know I will
I know I can
(new surroundings)
(this is not in your mind)my dreams will never come true
and if they ever ever do
it's never you
