

Darlin'

Avril Lavigne

Darlin', you're hiding in the closet once again
Start smilin'
I know you're tryin', real hard not to turn your head away
Pretty darlin'
Face tomorrow, tomorrow's not yesterday
Yesterday, oh, oh Pretty please, I know it's a drag
Wipe your eyes and put up your head
I wish you could be happy instead
There's nothing else I can do
Then love you the best that I can
Yeah, yeah, yeah, yeah, Darlin', I was there once a while I go
I know, that it's hard to be stuck with people
That you love when nobody trusts Pretty please, I know it's a drag (I know it's a drag)
Wipe your eyes and put up your head (put up your head)
I wish you could be happy instead
There's nothing else I can do
Then love you the best that I can
Yeah, yeah, yeah, yeah
That I can
Oh, oh, oh You're not the only one who's been through
I've been there alone and now so are you
I just want you to know,
Want you to know it's not your fault
It's not your fault Oh, oh, you're fault, you're fault
It's not your fault
You're fault, you're fault, you're fault Pretty please, I know it's a drag (know it's a drag)
Wipe your eyes and put up your head (put up your head)
I wish you could be happy instead
There's nothing else I can do
Then love you the best that I can Pretty please, I know it's a drag (know it's a drag)
Wipe your eyes and put up your head (put up your head)
I wish you could be happy instead
There's nothing else I can do
Then love you the best that I can Yeah, yeah, yeah, yeah
That I can
Oh, oh, oh
Darlin, you're hiding in the closet once again
Start smilin'
