It's All over but the Crying

The Ink Spots

It's all over but the crying
And nobody's crying but me
Friends all over know I'm trying
To forget about how much I care for you
It's all over but the dreaming
Poor little dreams that keep trying to come true
It's all over but the crying
And I can't get over crying over youIt's all over but the crying
And nobody's crying but me
Friends all over know I'm trying
To forget about how much I care for you
It's all over but the dreaming
Poor little dreams that keep trying to come true
It's all over but the crying
And I can't get over crying over you
