Baby Be Good (In Concert)

The Smithereens

Baby, be good, baby, every night
Better be good, you know it's only right
Baby, be good, 'til I come back home
Baby don't be bad 'cause you're all alone

I don't want to go but I leave today
Just remember what I have to say
All I ask of you when I go away
Is baby be good
(Baby, be good)
Baby, be good
(Baby, be good)

Baby, be good, baby, let me know
Better be good, c'mon and let it show
Baby, be good, try and understand
Baby, don't be bad with another man

If you're gonna play, I don't want to know
It would break my heart 'cause I love you so
All I want to say now before I go
Is baby, be good
(Baby, be good)
Baby, be good
(Baby, be good)

I never really thought that I would lose my heart
But I love all the things that you do
It's funny 'cause I just don't think you fit the part
I always want to be here with you, oh
Baby, be good, now baby, be good

If you're gonna play, I don't want to know
It would break my heart 'cause I love you so
All I want to say now before I go
Is baby, be good
(Baby, be good)
Baby, be good
(Baby be good)

Baby, be good, baby, every night
Better be good, you know it's only right
Baby, be good 'til I come back home
Baby, don't be bad 'cause you're all alone

I don't want to go but I leave today
Just remember what I have to say
All I ask of you when I go away
Is baby, be good
(Baby, be good)
Baby, be good
(Baby, be good)
Baby, be good
(Baby, be good)
Baby, be good
