Blue

Wham!

Every day it seems my smile's a little harder

And every day, I seem to laugh a little less

Living this way, it seems my sky's a little darker

You went away and left me lonely in successCan't you see I'm falling apart?

Can't you see I'm falling apart?

Can't you see? Can't you see I'm falling apart?

Can't you see I'm falling apart?

Can't you see what's happenin' to me? Take this hand and show my fingers where my heart is

Understand, you may just save me from despair

Watch this man, you'll see he can't stop what he has started

Take this hand, you'll see right now there's no-one thereCan't you see I'm falling apart?

You laugh at me as I fall

Can't you see I'm falling apart?

Just tell me, tell me, give me one good reasonArmed with love, I could save my heart

But on my own I just can't make it

I'm too weak to fight, so take it

Armed with love, I could save my heart

But instead I watch you dieArmed with love, I could save my heart

But on my own I just can't make it

I'm too weak to fight, so take it

Armed with love, I could save my heart

But instead I watch you dieCan't you see I'm falling apart?

Can't you see I'm falling apart?

Tell me why, why, whyCan't you see I'm falling apart?

Can't you see I'm falling apart?

Can't you see I'm falling apart?

Can't you see I'm falling apart? Can't you see I'm falling apart?

Can't you see I'm falling apart?

Can't you see, can't you see

Can't you see me? Armed with love, I could save my heart

But on my own I just can't make it

I'm too weak to fight, so take it

Armed with love, I could save my heart

Tell me why am I so blue? Armed with love, I could save my heart

On my own I just can't make it

I'm too weak to fight, so take it

Tell me why, why, why am I so blue?
