

# Time Bomb

## Dave Matthews Band

If I'm a ticking time bomb  
Waiting to blow my top  
No one would ever know  
Not until I blew up  
No one would believe it  
He was such a normal man  
Shake their heads and wonder why  
If Martians fell from the sky  
What would that do to God?  
Would we put the weapon down  
Or aim it up at the sky  
No one would believe it  
Except the fucking nut jobs  
They'd laugh and cry  
"We told you so!"  
Baby when I get home  
I want to believe in Jesus  
Hammer in the final nail  
Help me pick up the pieces

When everything starts to fall  
So fast that it terrifies you  
When will you hit the wall?  
Are you gonna learn to fly?  
No one would believe it  
Except for all the people  
Watching as you fly away  
Baby when I get home  
I want to pick up those pieces  
Hammer in the final nail  
And lean me up against Jesus  
Baby when I get home  
I want to believe in Jesus  
Hammer in the final nail  
Help me pick up the pieces  
Baby when I get home  
Help me pick up the pieces  
Hammer in the final nail  
I wanna believe in Jesus
