The World Is A Ghetto

Trife Diesel

Walkin' down the street, smoggy eyed
Looking at the sky, starry eyed
Searchin' for the place, weary eyed
Crying in the night, teary eyed
Don't you know that it's true
That for me and for you the world is a ghetto
Don't you know that it's true
That for me and for you the world is a ghetto
Wonder when I'll find paradise
Somewhere there's a home sweet and nice
Wonder if I'll find happiness
Better give it up now I guess
Don't you know that it's true
That for me and for you the world is a ghetto
Don't you know that it's true
That for me and for you the world is a ghetto

The world is a ghetto
There's no need to search anywhere
Happiness is here, have your share
If you know you're loved, be secure
Paradise is love to be sure
Don't you know that it's true
That for me and for you the world is a ghetto
Don't you know that it's true
That for me and for you the world is a ghetto
The world is a ghetto
The world is a ghetto
The world is a ghetto
The world is a ghetto
?
