

# I Just Want to Dance

## They Might Be Giants

I just want to dance (yeah yeah yeah)  
I'm a little kid but I just want to dance (yeah)  
I just want to dance (yeah yeah yeah)  
Yeah, I'm a little kid but I just want to dance (yeah) I can't rest  
Yes, I knew it was a two-part test  
I just want to dance (yeah yeah yeah)  
Yeah, I'm a little kid but I just want to dance (yeah yeah yeah) All those rules are dumb, chum  
All those rules are dumb  
All those rules are broken and dumb I'm a little kid (yeah)  
Yeah, I'm a little kid but I just want to dance  
I'm a little dude (yeah)  
I'm a little dude with my brand new moves (yeah)  
Do my thing  
Doing my thing until I break this song  
I just want to dance (yeah yeah yeah)  
Yeah, I'm a little kid but I just want to dance (yeah yeah yeah)  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
