Long-Legged Guitar Pickin' Man

Johnny Cash

Johnny Cash and June Carter - Long-Legged Guitar Pickin' ManWell I'm gonna start out walkin'
Just you wait and see
Uh Uh guitar picker
You ain't leavin' without meOh you big mouthed woman
You long-legged guitar pickin' man
Well, we can work this out
Uh huh, yes mam, I think we canWell I stole the Hope diamond
hopin' I could shut your mouth
But how am I gonna wear it
if I got to hide it outOh you big mouthed woman
You long-legged guitar pickin' man
But we can work this out
Uh huh, yes mam, I think we can(Interlude)Well I bought you a first class ticket
For a luxury liner cruise
I got out in that ocean
Looked around and there was youOh you big mouthed woman
You long-legged guitar pickin' man
But we can work this out
Uh huh, yes mam, I think we canI bought you a big long limousine
But I don't want no car
I need my lovin' everything
But you're still what you areYou're just a big mouthed woman
You're a long-legged guitar pickin' man
But we can work this out
Uh huh, yes mam, I think we can
(fade)
