

# Nobody Knows Me

Madonna

I've had so many lives  
Since I was a child  
And I realize  
How many times I've died I'm not that kind of guy  
Sometimes I feel shy  
I think I can fly  
Closer to the sky No one's telling you how to live your life  
But it's a setup until you're fed up This world is not so kind  
People trap your mind  
It's so hard to find  
Someone to admire I, I sleep much better at night  
I feel closer to the light  
Now I'm gonna try  
To improve my life No one's telling you how to live your life  
But it's a setup until you're fed up  
It's no good when you're misunderstood  
But why should I care  
What the world thinks of me  
Won't let a stranger  
Give me a social disease Nobody, nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me Nobody knows me  
Nobody knows me  
Nobody knows me  
Like-like you know me, like-like-like No one's telling me how to live my life  
But it's a setup, and I'm just fed up  
It's no good when you're misunderstood  
But why should I care  
What the world thinks of me  
Won't let a stranger  
Give me a social disease I don't want no lies  
I don't watch TV  
I don't waste my time  
Won't read a magazine I don't want no lies  
I don't watch TV  
I don't waste my time  
Won't read a magazine I, I sleep much better at night  
I feel closer to the light

Now I'm gonna try  
To improve my life Nobody, nobody, nobody, nobody knows me  
Nobody knows me  
Nobody knows me  
Like you know me Nobody knows me  
(It's no fun but the damage is done) Nobody knows me  
Nobody knows me  
Like, like you know me (Don't want your social disease)  
Like you know me  
Like you know me  
Like you know me (Don't want your social disease)  
Like you know me Nobody knows me (I don't want no lies)  
Nobody knows me (I don't watch TV)  
Nobody knows me (I don't waste my time)  
Like you know me (Won't read a magazine) Nobody knows me (I don't want no lies)  
Nobody knows me (I don't watch TV)  
Nobody knows me (I don't waste my time)  
Don't want your social disease (Won't read a magazine)
