Ball and Chain

Totsy

You say stop, I say go,
you say hot, I say cold,
you say yes, I say no, ho oh,
how will we get together?

You say black, I say white,
You say wrong, I say right,
You say dark, I say light,
oh no, don't wanna fight each other.

But there comes a time,
we're reminded,
reasons for our bind,
we're simply good together.

CHORUS
Ooh ooh, ball and chain and my
ooh ooh, joy and pain and my
ooh ooh, sun and rain and I-I, I love you for it.
ooh ooh, ball and chain and my
ooh ooh, claim to fame and my
ooh ooh, funny game and I-I, I love you for that.

Ooh ooh ooh ooh ooh,
ooh ooh ooh ooh ooh,
ooh ooh ooh ooh ooh ooh.

You say sweet, I say sour,
you say minute, I say hour,
You say weed, I say flower,
oh no, how will we get together?

You say left, I say right,
you say loose, I say tight,
you say dim, I say bright,
oh no, don't wanna fight each other.

But there comes a time,
that we're reminded,
reasons for our bind,

we're simply good together.

CHORUS

People say it will never work out,
but this is wha-at love is all about.

CHORUS

ooh ooh ooh ooh ooh
ooh ooh ooh ooh ooh
ooh ooh ooh ooh ooh
and I love you for that.

ooh ooh ooh ooh ooh
ooh ooh ooh ooh ooh
ooh ooh ooh ooh ooh
and I love you for that.
