I'm Never Leavin' You

Charley Pride

If we go should live hill forever I'll be there beside you while we do
I don't know how long we have to gather I just know I'm never leaving you
No matter where the road will be leading or what kind are things we running to
Just as long as my heart keeps on beating darling I am never leaving you
We won't think about the bridges that we're burning
Hand in hand we'll cross the ones we're coming through
For as long as this world keeps on turning darling I am never leaving you
No darling I am never leaving you
