

Heaven on Earth

Britney Spears

Your touch, your taste, your breath
Your face, your hands, your head, you're sweet
Your love, your teeth, your tongue, your eye, you're mine
Your lips, you'll find, you're heaven on earth I've waited all my life for you
My favorite kiss, your perfect skin
Your perfect smile Waking up and lying next to me
Wrap me up in your arms and back to sleep The first dream I've never seen the color of your eyes
(Lay my head on your chest and drift away)
You think of me from far away we'll look and you stop time The first dream I've never seen the color of your
eyes
(Dream of you and you're almost happy)
You think of me from far away we'll look and you stop Fell in love with you and everything that you are
Nothing I can do, I'm really crazy about you
When you're next to me, it's just like heaven on earth
(You're heaven, you're heaven, you're heaven on earth) Tell me that I'll always be the one that you want
Don't know what I'd do if I ever lose you
Look at you and what I see is heaven on earth
I'm in love with you Your breath, your face, your hands, your head
You're sweet, your love, your tongue
I'd move across the world for you
Just tell me when, just tell me where, I'll come to you Take me back to that place and time
If I've chosen you I'll get by tonight The first dream I've never seen the color of your eyes
(Far away but I feel you here with me)
You think of me from far away we'll look and you stop time The first dream I've never seen the color of your
eyes
(Dream of you and you're almost next to me)
You think at me from far away we'll look and you stop Fell in love with you and everything that you are
Nothing I can do, I'm really crazy about you
When you're next to me, it's just like heaven on earth
(You're heaven, you're heaven, you're heaven on earth) Tell me that I'll always be the one that you want
Don't know what I'd do if I ever lose you
Look at you and what I see is heaven on earth
I'm in love with you, in love with you Fall off the edge of my mind
(I'd fall off the edge of my mind)
I'd fall off the edge of my mind for you I'd fall of the edge of my mind
(First time I've never seen the color of your eyes)
I'd fall of the edge of my mind
(Think of me from far away) Fell in love with you and everything that you are
Nothing I can do, I'm really crazy about you

When you're next to me it's just like heaven on earth
(So in love, you're heaven, you're heaven, you're heaven on earth) Tell me that I'll always be the one that you
want
Don't know what I'd do if I ever lose you
Look at you and what I see is heaven on earth
I'm in love with you So in love, said I'm so in love
Said I'm so in love with you
