You Strike My Main Nerve

Tower Of Power

You're messing up my mind
Think about me all the time
Why you want to be unkind
The best man you'll ever find
I wish that you could see
Just what you do to me
(You strike my main nerve)
Girl(My main nerve's been struck)
Girl
(My main nerve's been struck)
You o-o babe
(My main nerve's been struck)
My main nerve
(Your boy's been struck)
When you hit the setSmoking like a cigarette
My eyes light up like fire
For the girl that I desire
I wish that you could see
Just what you do to me
If I had my way
We'll be moving right today
That way that I've been struckI swear that I'd been hit by a mack truck
(Repeat)
(My main nerve's been struck)
Get it babe
(My main nerve's been struck)
You got it
(My main nerve's been struck)
Talk about the pain(My main nerve's been struck)
Come one that's what you do to me, babe
So mama yeah
(My main nerve's been struck)
(My main nerve's been struck)
You have my main nerve's been struck
You did my main nerve's been struck
You you you youYou hit the stick
Just smoking like a cigarette
You just strike my main nerve
Strike my main nerve

Hey baby
Hey lady
You know what you do to me
You know what you do to me
(My main nerve's been struck)
