God Bless the Child

Liza Minnelli

Them that's got shall get
Them that's not shall lose
So the Bible says and it still is newsMama may have and Papa may have
But God bless the child that's got his ownAnd the strong get more
While the weak ones fade
Empty pockets don't ever make the gradeMama may have and Papa may have
God bless the child that's got his own
That's got his ownAnd when you got money
You got a lots of friends
All hangin' 'round your door
But when the money's gone
And all your spendin' ends
They won't hang around any moreRich relations may give you
A crust of bread and such
Sayin' help, go on help yourself
But don't take too muchMama may have and Papa may have
But God bless the child that's got his own
That's got his own
That's got his ownMama may have and Papa may have
But God bless the child who can stand up and say
He's got his own
