

# Forgive Me

## Raze

Hey, how you doin', my old friend?  
See it appears to me  
We've got somethin' to discuss  
We're not the way we should be Sometimes it blows my mind to think  
We could've took the time  
To make sure we've made it right  
Before before we part ways Would you ever forgive me  
For the problems that I've caused you?  
Forgive me 'coz I'm sayin' that I'm sorry  
And I offer you my apology Would you, a could you forgive me  
For the problems that I've caused you?  
Forgive me 'coz I'm sayin' that I'm sorry  
And I offer you my apology I put on the soul glow I step through the door  
One never knows what a nights got in store.  
Two never knew that the mac' would be bac' but true met Raze  
And the deck wuz stacked Mookie dropped the track got the people strait trippen'  
If I'm wrong somebody I need to be forgiven  
Reconcile my style for the old school  
Wild if it offends me man forgive me Would you ever forgive me for the problems  
That I've caused you forgive me 'cuz  
I'm sayin' that I'm sorry and I offer you my apology  
Would you a could you forgive me for the problems  
That I've caused you forgive me 'cuz I'm sayin' that I'm sorry  
And I offer you my apology The door flies open and enters a man  
He carries a vision he carries a plan  
But at the same time and the same dope rhyme  
He slips and stubbles and falls and uh Not afraid to admit it he was the one  
Who was wrong now one day older and a few  
Books wiser he now believed that days  
Would get brighter not I've got one question  
And it comes from the bottom of my broken heart Would you ever forgive me for the problems  
That I've caused you forgive me 'cuz  
I'm sayin' that I'm sorry and I offer you my apology  
Would you a could you forgive me for the problems  
That I've caused you forgive me 'cuz I'm sayin' that I'm sorry  
And I offer you my apology Would you ever forgive me, forgive me  
Offer you my apology  
Before we part ways
